BATTLE-DAMAGED LOGOS ARE COMING IN AUGUST

DC's Year of the Villain explodes in August as the effects of Lex Luthor's "Dark Gifts" spread across the entire DC Universe! Heroes in every corner of our world are under attack by their greatest foes, all armed with new powers–and you'll find the evidence of those battles on DC covers this month.

"We wanted to find a way to give fans a quick visual cue that these titles, from ACTION COMICS to WONDER WOMAN, are all part of Year of the Villain," says DC Publisher Dan DiDio. "Altering their logos is a great way to show that there's an epic struggle between good and evil inside."

Logos on DC Universe titles in August will be on fire, encased in ice, turned to smoke or smashed into pieces–all without losing their essential recognizability.

And that's just the start of the special effects you'll see on our logos in the coming months. As the conflicts of "Year of the Villain" escalate in the September and beyond, these logos will be even more battle-damaged!

Darwyn Cooke's critically acclaimed masterpiece DC: THE NEW FRONTIER is back in this new, expanded Absolute edition featuring new story pages, detailed annotations, alternate sequences and an extensive gallery of sketches, pinups, action figure art and much more!

In the 1950s, Cold War paranoia outlawed the mystery men of the Golden Age. Stalwarts including Batman, Superman and Wonder Woman continued to fight for truth and justice, but as the world hurtled toward an uncertain future, it would take a new breed of hero to define the American Way. DC: THE NEW FRONTIER takes readers on an epic journey from the end of the Golden Age of heroes to the beginnings of the legendary Justice League of America.

This new edition includes supplemental material previously offered in the out-of-print deluxe edition, and collects the original six-issue miniseries, JUSTICE LEAGUE: THE NEW FRONTIER SPECIAL #1 and the story "Triangulation," from SOLO #5.

DC ESSENTIALS: GREEN LANTERN: HAL JORDAN, SINESTRO, KNIGHTFALL BATMAN AND KNIGHTFALL CATWOMAN ACTION FIGURES

Sinestro, once hailed as the greatest Green Lantern, now harnesses the ability to instill fear as his source of power. Will Hal Jordan, who is finally joining his super-friends in the DC Essentials action figure line, be able to stop the evil Sinestro? Pair these new figures together to find out.

Batman and Catwoman are both back in their classic costumes from the iconic '90s "Knightfall" storyline. Batman's action figure features his blue-and-gray color scheme, longer bat ears and capsule belt. Catwoman, Gotham City's Feline Fatale, is depicted in her popular purple costume, and is the indispensable antihero to pair with the DC Essentials Batman.
